Exploring Our Roots

“

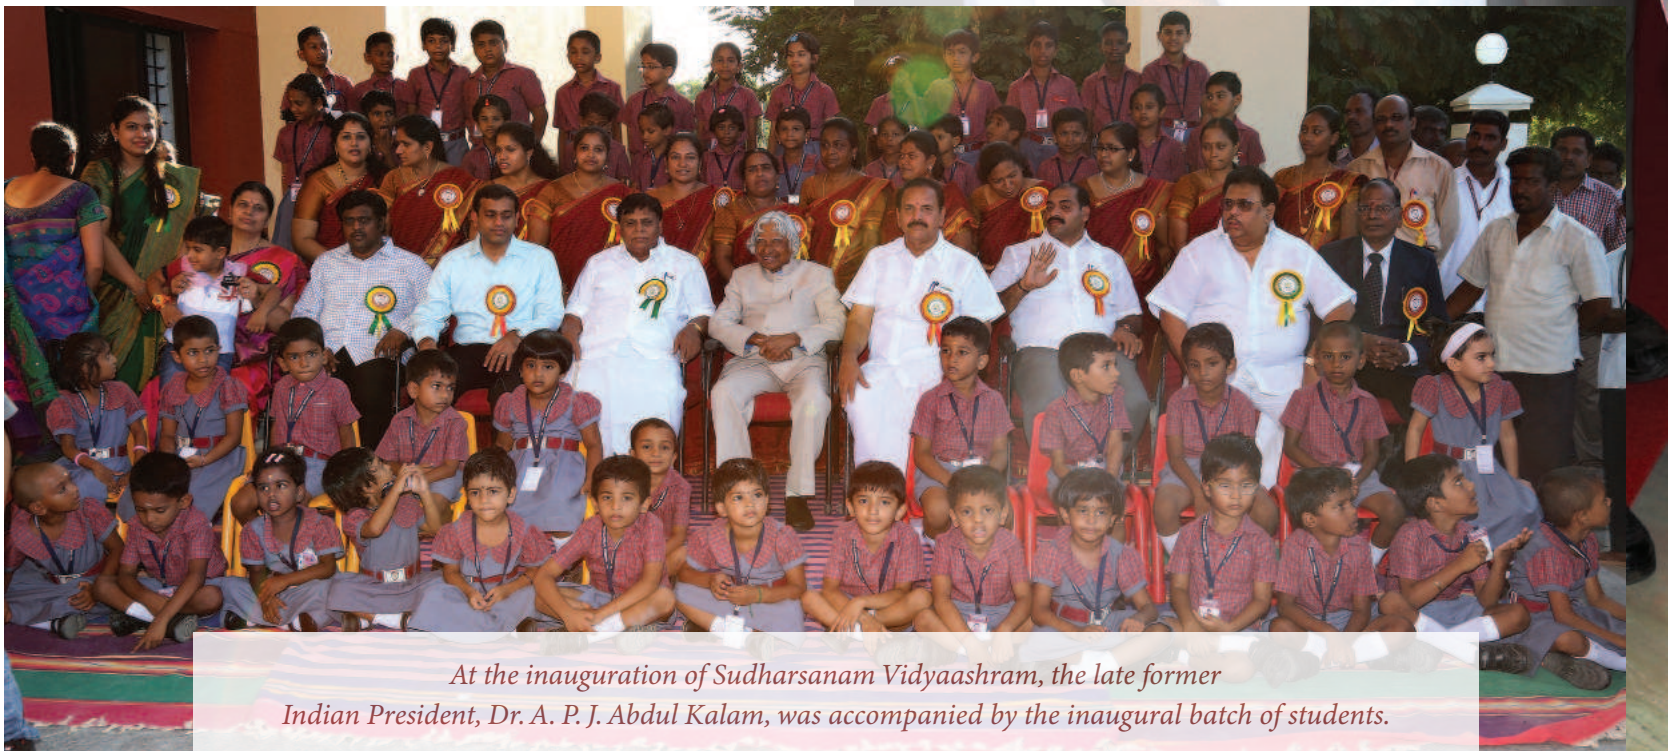

Empowering youth with essential life skills

”

Dedicated to providing exemplary learning environments and empowering youth with essential life skills, DHARMA NAIDU EDUCATIONAL AND CHARITABLE TRUST was founded under the dynamic leadership of (Late) Shri. D. SUDHARSSANAM. Since its inception, the trust has been committed to offer world-class education at affordable rates, thereby launching ‘S.A. POLYTECHNIC COLLEGE’ in 1996-97 to offer job-oriented education to the underprivileged.

In 1998-99, ‘S.A. ENGINEERING COLLEGE’ was established to facilitate higher education in technical fields. In 2014-15, ‘SUDHARSANAM VIDYAASHRAM’ was founded, providing value-based holistic education under the CBSE curriculum to nurture young minds. Continuing its pursuit of excellence, the trust inaugurated ‘S.A. COLLEGE OF ARTS AND SCIENCE’ (SACAS) in 2019, offering comprehensive training to students, empowering them to achieve their aspirations and contribute positively to society.

At the inauguration of Sudharsanam Vidyaashram, the late former Indian President, Dr. A. P. J. Abdul Kalam, was accompanied by the inaugural batch of students.

On August 21st, 2014, our school was inaugurated by the late former Indian President, DR. A. P. J. Abdul Kalam.

Welcome to Sudharsanam Vidyaashram

Sudharsanam Vidyaashram stands as a formidable, non-governmental institution with an unwavering commitment to deliver unparalleled knowledge and education to the student community. Our resolute mission is to be a catalyst for transformative learning, actively shaping the foundations of a knowledge-driven society.

Sudharsanam Vidyaashram aligns with the CBSE curriculum, incorporating the Continuous and Comprehensive Evaluation (CCE) system. This system ensures a holistic assessment of

“
*Holistic assessment of students
by employing both formative and
summative evaluations*
”

students by employing both formative and summative evaluations. The objective is to gauge diverse facets of a student's growth, extending beyond mere academic achievements.

“

*Leading with Purpose, Mission:
Serving with Passion*

”

”

Mission

At the core of our mission is the development of young minds with creativity, compassion, and a proactive spirit. We strive to equip students with the courage to set and accomplish their goals based on the knowledge and skills they acquire throughout their educational journey. Our comprehensive curriculum addresses spiritual, moral, intellectual, social, emotional, and physical aspects, ensuring the holistic development of every student.

Vision

Our vision is to create an engaging learning environment that caters to the diverse intelligences and learning capabilities of students. We aim to seamlessly integrate information technology throughout our curriculum and teaching methods to unlock the full potential of each individual. By prioritizing life skills development, we strive to empower students of all ability levels, preparing them to navigate the dynamic challenges of education, work, and life opportunities that lie ahead.

Everlasting Learning Experience

“

*Creating an environment
where learning becomes a
lifelong journey*

”

The learning experience at Sudharsanam Vidyaashram is designed to be enduring and transformative. Our commitment goes beyond imparting knowledge; it is about creating an environment where learning becomes a lifelong journey. Here, education is not confined to textbooks but extends to real-world applications, fostering critical thinking, creativity, and a thirst for knowledge that lasts a lifetime. Sudharsanam Vidyaashram aims to be a place where every learner discovers the joy of continuous growth and the power of education that endures throughout their lives.

Academics

Pre Primary – Pre KG – UKG

2 – 5 yrs

School education for 2 to 5-year-old plays a critical role in laying the groundwork for their overall development. It nurtures cognitive, social, emotional, and physical skills, setting the stage for a lifetime of learning and success.

Sudharsanam Vidyaashram recognizes the profound significance of early childhood education, especially for children aged 2 to 5. In alignment with this understanding, the school is committed to providing a nurturing environment that goes beyond academic foundations. Sudharsanam Vidyaashram understands the importance of cognitive, social, and emotional growth during this crucial period. Through tailored programs and interactive activities, the school promotes language acquisition, socialization skills, and emotional intelligence. Sudharsanam Vidyaashram's structured

“
*Building Bright Futures:
Preparing Little Minds for
Big Adventures*
”

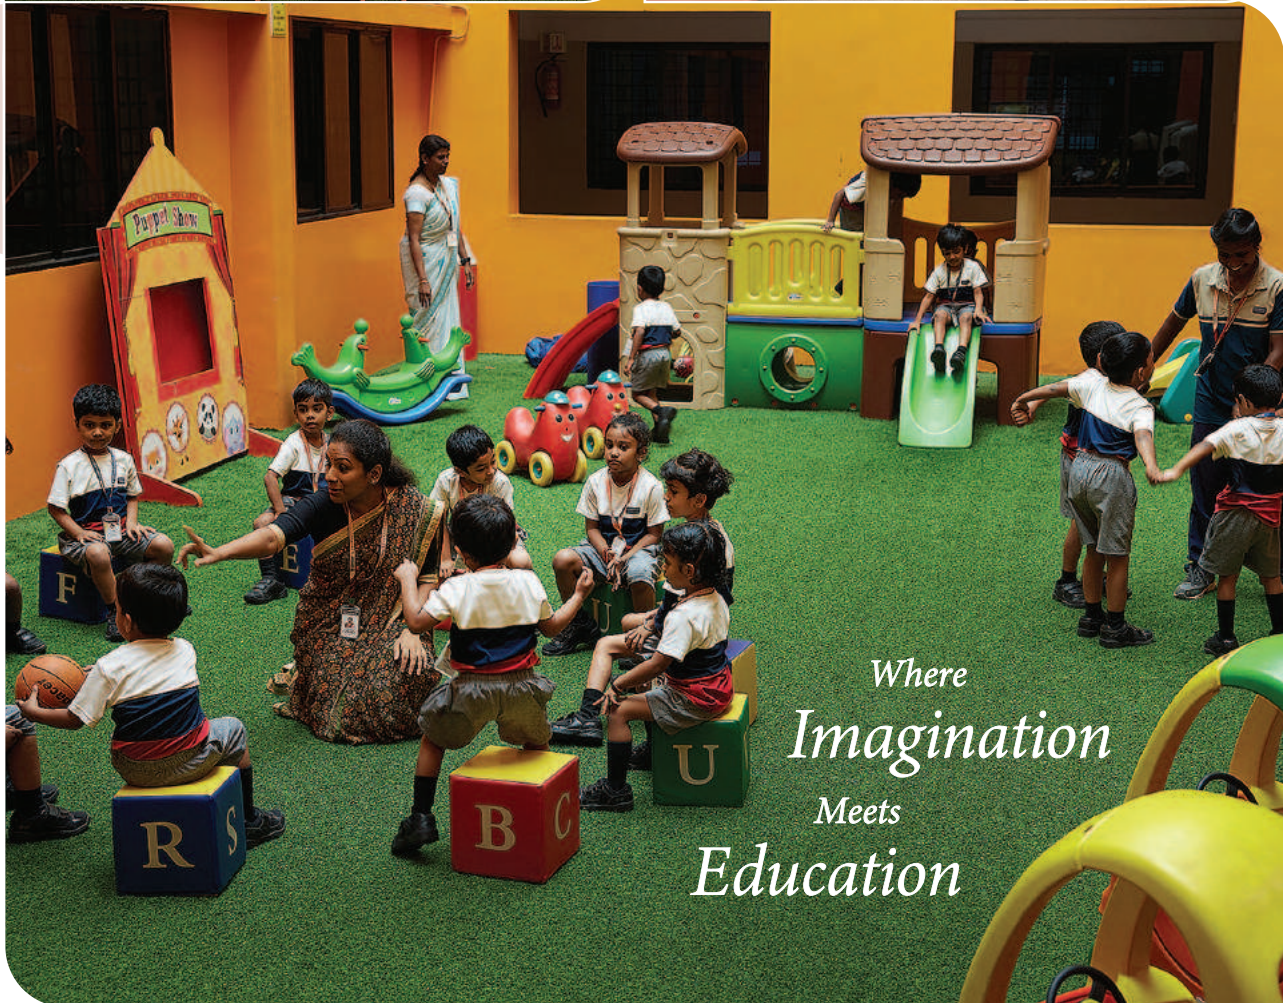

environment not only develops motor skills but also instills discipline and time management through routines and structures. By sparking curiosity and encouraging exploration, the school establishes a positive attitude towards learning. Sudharsanam Vidyaashram takes pride in being a key player in preparing young learners for formal education, ensuring they are equipped with fundamental skills for a seamless transition. In essence, Sudharsanam Vidyaashram views early childhood education as a milestone for lifelong learning and comprehensive development.

Theme Based Class Rooms

Thematic Learning Spaces

Where
Imagination
Meets
Education

Primary – Grade 1 – Grade 5

5 – 11 yrs

In essence, school education for children aged 5 to 11 is crucial for building a comprehensive educational and social framework. It sets the stage for lifelong learning, social integration, and the development of essential skills needed for future academic and personal success.

Sudharsanam Vidyaashram recognizes the paramount importance of school education for children aged 5 to 11 and plays a crucial role in shaping their holistic development. In alignment with this understanding, Sudharsanam Vidyaashram provides a structured and nurturing environment that goes beyond academic fundamentals. The school curriculum is designed to not only lay a strong foundation in subjects like mathematics, language arts, and sciences but also to stimulate cognitive growth and critical thinking. Sudharsanam Vidyaashram actively promotes social development by encouraging positive interactions among students and teachers, fostering teamwork and effective

“
Nurturing platform that shapes individuals & prepare them for challenges and opportunities
”

communication. Additionally, the school places emphasis on creativity through arts and music programs, physical development through sports and activities, and the cultivation of values such as discipline and responsibility through established routines. Sudharsanam Vidyaashram, with its commitment to diversity and inclusivity, ensures that students are exposed to a rich tapestry of cultures and perspectives. In essence, Sudharsanam Vidyaashram goes beyond imparting knowledge; it serves as a nurturing platform that shapes well-rounded individuals, preparing them for the challenges and opportunities of their educational journey and beyond.

AI Intelligence Class

Secondary – Grade 6 – Grade 10

11 – 16 yrs

Fundamentally, the school education provided to individuals between the ages of 11 and 16 constitutes a transformative phase, serving as more than a platform for academic knowledge. During this crucial period, it actively promotes personal growth, cultivates essential social skills, and establishes a robust foundation that paves the way for future success in higher education and beyond.

Sudharsanam Vidyaashram recognizes the profound importance of school education for individuals aged 11 to 16 and actively tailors its educational approach to this transformative phase. Beyond delivering academic knowledge, Sudharsanam Vidyaashram is committed to nurture personal growth and social skills among students. The school's curriculum is designed to stimulate critical thinking, preparing students not only for higher studies but also for specialized

“
Empowering students to excel beyond higher education as well-rounded individuals
”

subjects aligned with their interests and future career aspirations. Sudharsanam Vidyaashram places a strong emphasis on character building, life skills education, and the development of values, ensuring that students are well-rounded individuals equipped for success in higher education and beyond. As a dynamic educational institution, Sudharsanam Vidyaashram is dedicated to provide a holistic and transformative experience during these crucial years, laying the groundwork for the future achievements of its students.

Senior Secondary – Grade 11 – Grade 12

16 – 18 yrs

In essence, the importance of school education for individuals aged 16 to 18 lies in its role as a transformative period that not only shapes academic pathways but also contributes significantly to personal, social, and emotional development, preparing students for the next phase of their lives.

Sudharsanam Vidyaashram takes a proactiveness in recognizing the paramount importance of school education for individuals aged 16 to 18, actively engaging in shaping this transformative phase. Beyond its unwavering commitment to academic excellence, the school places a distinct emphasis on holistic development, refining advanced academic skills, and fostering critical thinking capabilities among its students. Sudharsanam Vidyaashram goes the extra mile by facilitating career exploration through specialized programs, ensuring that students are well-prepared for the demands of higher education or entry into the workforce. Rooted in a dedicated pursuit of personal growth, the school encourages independence, responsibility,

“
Sudharsanam Vidyaashram goes above and beyond by facilitating career exploration
”

and the cultivation of robust ethical values.

The nurturing of social and emotional growth is integral, achieved through collaborative projects and a diverse array of extracurricular activities. Sudharsanam Vidyaashram further integrates life skills education into its curriculum, equipping students with the practical acumen needed for the challenges of adulthood. With a keen focus on success in standardized exams, the school opens avenues to a wide spectrum of higher education opportunities. In essence, Sudharsanam Vidyaashram's educational philosophy during these critical years is a comprehensive approach designed to shape both academic trajectories and the overall development of individuals, positioning them for a successful transition into adulthood and future endeavours.

Beyond Books

“

Promotes inclusivity and cultural exchange, enriching the overall school experience

”

“Beyond Books in Schools” emphasizes a comprehensive education that considers social, emotional, and practical aspects ensuring students are well-equipped for the challenges and opportunities they will encounter in their academic and personal journeys.

Extracurricular activities

Sudharsanam Vidyaashram recognizes the profound importance of extracurricular activities in nurturing the comprehensive development of its students. Beyond the traditional academic curriculum, the school actively promotes and facilitates engagement in diverse activities. Sudharsanam Vidyaashram understands that participation in sports, clubs, arts, and other extracurricular pursuits is instrumental in shaping well-rounded individuals. By providing platforms for teamwork, leadership, and time management, the school ensures that students acquire not only academic knowledge but also essential life skills. Research-backed positive correlations between participation in extracurriculars and

academic performance align with Sudharsanam Vidyaashram’s commitment to holistic education. The diverse range of activities offered promotes inclusivity and cultural exchange, enriching the overall school experience. Sudharsanam Vidyaashram’s emphasis on extracurricular engagement goes beyond academics, contributing significantly to the physical health, mental well-being, and career exploration of its students. In essence, Sudharsanam Vidyaashram’s approach to extracurricular activities is focussed on developing integral well-rounded individuals, preparing them comprehensively for the challenges and opportunities that lie ahead.

Co-curricular Activities

“ *Well-prepared for the challenges and opportunities, both in their educational journey and beyond* ”

At Sudharsanam Vidyaashram, co-curricular activities harmoniously intertwine with the formal academic curriculum, reflecting the school's dedication to holistic development. These activities, intrinsic to Sudharsanam Vidyaashram's educational philosophy, play a pivotal role in moulding students into well-rounded individuals. The school recognizes that education extends beyond traditional classrooms, designing

co-curricular experiences to offer a diverse range of opportunities. Whether engaging in sports, music, drama, debates, clubs, or community service, students actively participate to enhance their teamwork, leadership, communication, and problem-solving skills. This dynamic approach ensures not only academic excellence but also fosters personal growth and self-discovery. Sudharsanam Vidyaashram's commitment to a comprehensive education is vividly portrayed through these activities, creating a vibrant and dynamic learning environment. Students emerge from Sudharsanam Vidyaashram well-prepared for the challenges and opportunities, both in their educational journey and beyond.

Harmony Through Communication

Communication in school education is of paramount importance as it serves as the milestone for effective learning, collaboration, and overall success in the educational journey.

Effective communication forms the backbone of Sudharsanam Vidyaashram's educational ethos, facilitating a dynamic and inclusive learning environment. Student-teacher interaction is encouraged, fostering a positive atmosphere where students feel empowered to express thoughts and seek clarification. This openness extends to parent-teacher collaboration, ensuring that parents are well-informed about their child's progress and actively engaged in their education. Peer collaboration is promoted through clear

“
Encouraging teamwork and exchange of ideas
”

communication among students, encouraging teamwork and shared ideas. Sudharsanam Vidyaashram recognizes the importance of delivering instructions with clarity to cater to diverse learning styles, and regular feedback and assessment communication motivate students towards excellence. Communication channels are utilized for counseling and support services, creating a supportive environment for students facing challenges.

Communication Lab

Smart Learning Spaces

Integrating AI and Robotics into school education involves a comprehensive effort to embed these cutting-edge technologies within the academic curriculum. This process entails revising existing courses or introducing dedicated modules that cover the theoretical foundations and practical applications of artificial intelligence (AI) and robotics.

At Sudharsanam Vidyaashram, students actively engage in hands-on learning experiences, immersing themselves in programming robots and participating in projects that apply advanced AI concepts. The school adopts an interdisciplinary approach, facilitating meaningful connections between AI, robotics, and core subjects such as mathematics, science, and computer science. Recognizing the significance of staying at the forefront of educational technology, Sudharsanam Vidyaashram invests in essential technological infrastructure, including computers and robotics kits, to ensure a supportive environment for effective teaching and learning. The school places a strong emphasis on teacher training programs, recognizing their crucial role in equipping educators with the knowledge and skills needed to adeptly impart these advanced subjects. By synchronously integrating AI and robotics into the curriculum, Sudharsanam Vidyaashram aims to make education more relevant to the real world. This forward-thinking approach not only prepares students for future careers but also cultivates critical thinking, problem-solving abilities, and a nuanced understanding of the ethical considerations associated with these emerging technologies.

Cultivating Creative Minds

“
Incorporating creative elements into the curriculum can be achieved through various strategies
”

Nurturing creativity in schools is vital for cultivating well-rounded individuals ready to adapt to an ever-changing world. This involves creating an educational environment that encourages original thinking, problem-solving, and self-expression. Incorporating creative elements into the curriculum will help the students to develop critical thinking skills.

At Sudharsanam Vidyaashram, we are dedicated to instill creative elements into our curriculum through various effective strategies. Our educators play a pivotal role in sparking creativity by adopting interactive teaching methods, encouraging open-ended questions, and allowing flexibility in assignments. Furthermore, we provide students with abundant opportunities for artistic expression, engage them in project-based learning, and foster collaborative activities to enhance their imaginative thinking. Sudharsanam Vidyaashram places a high priority on creating inspiring spaces for creativity, whether through dedicated art studios, innovation labs, or outdoor areas. We are committed to recognizing and valuing diverse forms of intelligence and expression, thereby fostering a culture where every student feels empowered to explore and express their unique creative potential.

From Pixels to Pages

“

School library remains a milestone of education

”

In the digital era, the role of a library in schools continues to be of paramount importance, adapting to the changing landscape of information and education. While digital resources abound, school libraries remain essential hubs for learning, providing a diverse range of physical and digital materials that cater to various learning styles.

Beyond serving as repositories for books and e-books, Sudharsanam Vidyaashram's libraries play a crucial role in promoting information

literacy. In an age of information overload, the school's dedicated librarians guide students in navigating, evaluating, and effectively using the wealth of available resources, nurturing critical thinking skills essential for academic success and beyond. Sudharsanam Vidyaashram ensures equitable access to information, serving as an inclusive space for all students and bridging the digital divide. Even with the prevalence of online learning, the school's libraries provide quiet spaces for focused study and collaborative areas for group projects and discussions, seamlessly

blending traditional and modern learning approaches. Embracing technology, Sudharsanam Vidyaashram's librarians facilitate digital literacy by integrating online databases and e-books into their services. Beyond academics, the school's libraries contribute to the cultural and community fabric by hosting events and activities that enrich students' educational experience. In essence, Sudharsanam Vidyaashram's school library remains a milestone of education, fostering a love for learning, promoting literacy, and nurturing the holistic development of students in the digital era.

“

Space for All

Every Child is Unique

MDA (Madras Dyslexia Association)

At Sudharsanam Vidyaashram, the core philosophy echoes the belief that “Every Child is Unique.” This guiding principle shapes the educational approach, emphasizing the recognition of each student’s distinct qualities, learning styles, and potential.

Sudharsanam Vidyaashram is dedicated to provide an inclusive and supportive educational environment for students with dyslexia.

We prioritize early identification through comprehensive screening programs, enabling timely intervention. Individualized Education Plans (IEPs) are crafted to address the unique needs of each dyslexic student, incorporating personalized strategies for effective learning. Our educators are trained in multisensory teaching techniques, and we implement evidence-based, structured literacy programs to enhance reading skills. Sudharsanam Vidyaashram integrates assistive technology tools, such as text-to-speech applications, to provide additional support. Small group instruction allows for targeted assistance, and our teachers undergo regular training to stay informed about the latest teaching strategies. We foster a positive and encouraging atmosphere,

recognizing and celebrating the strengths and achievements of dyslexic students. Collaboration with parents is a milestone of our approach, and flexible assessments ensure a comprehensive evaluation of each student’s progress. Sudharsanam Vidyaashram is committed to empower dyslexic students to thrive academically and personally within a nurturing educational community.

SAEP (Slow Achievers Enrichment Program)

Sudharsanam Vidyaashram’s Slow Achievers Enrichment Program is a dedicated initiative tailored to provide additional support and personalized interventions for students facing academic challenges. With a focus on individual growth, building confidence, and enhancing academic skills, the program is designed to address specific needs through targeted strategies. Our trained educators work closely with students, offering extra resources and guidance to ensure their success. Beyond academic enrichment, the program emphasizes the development of essential life skills, fostering a holistic educational experience. Sudharsanam Vidyaashram is committed to unlock the full potential of every student through this enlightenment.

“ Provide parents with the peace of mind that their children are in safe hands ”

Day Care

Caring & Sharing

Day Care facility

Sudharsanam Vidyaashram understands the diverse needs of its school community, and as part of our commitment to support families, we offer a Day Care facility. This service provides a safe and nurturing environment for students outside regular school hours. The Day Care facility at Sudharsanam Vidyaashram is equipped with dedicated staff who prioritize the well-being of the children in their care. Our program

includes engaging activities, supervised play, and opportunities for homework assistance. With a focus on maintaining a secure and enriching atmosphere, Sudharsanam Vidyaashram's Day Care facility aims to provide parents with the peace of mind that their children are in a supportive and caring environment beyond the standard school day.

Clubs for Our Cubs

“

Reflect the vibrant and diverse spirit of the school community

”

Student houses in schools play a crucial role in cultivating a sense of community, camaraderie, and healthy competition among students.

These houses, often named after colours, symbols, or influential figures, serve as a platform to organize various intra-school events, competitions, and sports activities.

Sudharsanam Vidyaashram's student houses, namely AGNI, ARIHANT, ARJUN, and ASTRA, reflect the vibrant and diverse spirit of the school community. Each house carries its unique identity and symbolism, contributing to the rich tapestry of the school's culture. The house system at Sudharsanam Vidyaashram provides a framework for organizing various intra-school events, competitions, and sports

activities. AGNI, ARIHANT, ARJUN, and ASTRA become platforms for students to showcase their talents, encouraging teamwork, leadership, and collaboration. The student houses at Sudharsanam Vidyaashram play a vital role in instilling values of sportsmanship, responsibility, and leadership, contributing significantly to the holistic development and positive school spirit within the institution.

SV SPORTS ACADEMY

“
Prioritize the mental and
emotional facets of sportsmanship
”

Sustained Athletic Pursuits

SV Sports Academy

Sudharsanam Vidyaashram's Sports Academy is at the forefront of shaping and enhancing the physical and mental development of our students. Committed to holistic education, our sports activities go beyond the traditional curriculum, providing a platform for students to engage in various athletic pursuits. Through a comprehensive training program, we aim to develop not only their physical prowess but also foster mental resilience, teamwork, and discipline. The Sports Academy at Sudharsanam Vidyaashram emphasizes the importance of a healthy lifestyle, inculcating values of sportsmanship and fair play. Whether through team sports, individual disciplines, or fitness programs, our sports activities contribute significantly to the overall

well-being and character development of our students. Sudharsanam Vidyaashram believes that a robust sports program is integral to nurture well-rounded individuals prepared for the challenges of both academic and personal life.

At Sudharsanam Vidyaashram, our Sports Academy trainers go beyond honing athletic skills; they prioritize the mental and emotional facets of sportsmanship. Their unwavering commitment to instilling values such as discipline, teamwork, and resilience significantly shapes the overall character development of our students. Creating a positive and encouraging environment, these trainers play a central role in crafting well-rounded individuals.

Transportation

“

A vital component that enhances inclusivity, safety, and the overall educational experience for students

”

At Sudharsanam Vidyaashram, the school transportation facility assumes a pivotal role in ensuring inclusive access to education, particularly for students residing in diverse geographical locations. Beyond its practical function for commuting, the transportation system significantly contributes to the safety and regular attendance of students. Sudharsanam Vidyaashram's well-managed transportation system not only streamlines pick-up and drop-off schedules but also fosters a sense of community among students during shared journeys. For working parents, it offers a convenient and time-efficient option, alleviating the need for personal transport arrangements. Moreover, Sudharsanam Vidyaashram's reliable school transportation system contributes to reduced traffic congestion around the school, benefiting both the school community and the surrounding neighborhood. In essence, the school transportation at Sudharsanam Vidyaashram goes beyond its utilitarian function, serving as a vital component that enhances inclusivity, safety, and the overall educational experience for students.

Flow of the Day

A day in the life of a happy Sudharsanam Vidyaashram student is a vibrant journey marked by enthusiasm, purposeful learning, and supportive connections. The day commences with the student waking up to the anticipation of another fulfilling day at Sudharsanam Vidyaashram. Engaging academic classes are complemented by innovative teaching methods, encouraging the student's active participation and curiosity. Beyond the classroom, the school's commitment to holistic development is evident in extracurricular activities that cater to individual interests, fostering a well-rounded experience. The lunch break becomes a time for nourishment and social bonding, contributing to the sense of community. With modern facilities such as art studios and innovation labs, Sudharsanam Vidyaashram provides dynamic spaces for creativity. The supportive environment created by dedicated teachers and mentors ensures personalized attention and a positive learning atmosphere. As the day concludes, the student reflects on meaningful connections, personal growth, and the joy of learning.

Align with Our Lifelong Learners

At Sudharsanam Vidyaashram, our teachers stand as integral pillars in the educational journey, aligning with our commitment to fostering lifelong learners. Their dedicated service extends beyond conventional classrooms, embodying mentorship, inspiration, and the imparting of crucial life skills. Within the dynamic learning environment of Sudharsanam Vidyaashram, teachers play a transformative role in creating a space that stimulates curiosity, nurtures critical thinking, cultivates adaptability and essential qualities for navigating the complexities of the modern world. By aligning with the unique aspirations and learning needs of each student, our teachers become catalysts for profound personal growth, instilling core values and nurturing a profound sense of responsibility. The commitment of Sudharsanam Vidyaashram teachers to cultivating lifelong learners is synonymous with the school's dedication to holistic student development. Beyond academics, our educators prepare students for the dynamic challenges they will encounter throughout their lives. Sudharsanam Vidyaashram teachers leave an enduring impact that shapes the character, resilience, and success of individuals on their lifelong learning journey.
